

METROPLAN ORLANDO
STRATEGIC PLANNING PROCESS
Initial Board & Stakeholder Workshop
June 12, 2019

Please note: Workshop starting and ending times are approximate. Actual times will depend on the time needed for other Board activities at the June 12 meeting.

Objectives

- Provide an overview of key themes emerging from stakeholder and staff interviews
- Engage board and stakeholders in further refinement of key issues and roles emerging from interviews
- Confirm preliminary list of issues and roles

10:00 Welcome (Board Chair) and introductions (participants)

10:05 Overview of stakeholder interview process and purpose
Initial themes from stakeholder and staff interviews relating to:
“What does MetroPlan Orlando do well, and what might it consider doing differently?”
“What one thing would you like MetroPlan to achieve with this process?”

10:15 Issues and roles – themes and discussion
10:15 From your perspective, what are the major issues MetroPlan Orlando should address in the next 5-10 years?

- *Review themes from stakeholder and staff interviews*
- *Add possible issues to address*
- *Informally test agreement on list using 4-point consensus scale*
- *Initial discussion – which issues do you think are most important? Why?*

10:35 *What roles could or should MetroPlan Orlando play in the region beyond its federal and state mandates?*

- *Review themes from presentation*
- *Add possible roles*
- *Informally test agreement on list using 4-point consensus scale*
- *Initial discussion – which roles do you think are most important? Why?*

10:55 Overview of next steps in the process
Review work plan and upcoming strategic planning workshops

11:00 Adjourn
